TO YOU WHO CARE

Dear Sir/Madame:

e-Matrix Integrated Solutions Inc. launches its yearly outreach program this December 2008 called **e-Matrix Christmas Aid to Restore Education** or **e-CARE**. The program aims to provide basic education to less fortunate youth. The beneficiaries are indigent children from the remote area of Camarines Sur, Bicol Region, where educational and financial support is scarce. e-Matrix cooperates with the **Vision Translators of Tomorrow, Inc. (VTTI)** a non-government organization that initiated such worthwhile endeavor to implement the program.

In view, we would like to seek your help by offering children's books and school supplies that will be used as reference materials and resources by our beneficiaries. These may just be kept in your storage or bookshelves for years and can be shared to poor children denied of education. You may also provide your financial support to sustain VTTI's education program.

Your modest help will bring forth huge smiles and happiness to the poor children this Christmas. If you care, please email me through jay.agosto@ematrix.com.ph or call/text me through **0918-9901850** for your aid. It is our pleasure to pick up the books, school supplies or cash in behalf of VTTI from your good office on or before **December 17, 2008**. Your immediate attention on this matter will be highly appreciated. Thank you very much!

Merry Christmas and a Prosperous New Year!

May God bless you always!

Very truly yours,

Jay Anthony M. Agosto
